

Losing Jenny: A Walk Through the Valley

Mommy, I cried when you left Wednesday night. I finally realized just how much I love you and how much I miss you. The same night she spoke these words, the world as I knew it came to an end. Jenny was gone. Life was good for Rebecca and her only daughter, Jenny. They had survived the rough teen years, and Jenny was starting college. Three short weeks into her freshman year, every parents worst nightmare happened Jenny was involved in a fatal car crash. The world as Rebecca knew it came to an end. Lost and alone, Young had to overcome this tragedy in order to survive. This poignant memoir of a mothers undying love shows that you cannot only survive the depths of the valley of the shadow of death, but can soar above it. Losing Jenny: A Walk Through the Valley is a must read for any parent dealing with the loss of a child. Any parent who has suffered the loss of a child will be touched and blessed by this moving story. With great honesty and raw emotion, Rebecca shares her journey from the depths of grief and despair toward peace, acceptance, and the ability to go on living when her life seemed over. This is an important book because it helps us understand that grief is not something to be ashamed of or avoided, but something good and vital. The fact that we grieve deeply is proof that we love deeply. Rev. Peter Larson, Senior Pastor, Lebanon Presbyterian Church, Master of Divinity, Princeton Theological Seminary.
