

Recipes, Prayers and Christmas stories that will touch your heart

The Holidays have always been a special time in my family. A time to gather with family and friends, a time to trim the tree but most of all a time to reflect on all the gifts God has bestowed on us. When I was a little girl, my family started a tradition that I still do today. Every Christmas Eve, my grandmother would gather us around a small birthday cake at the stroke of midnight. We would sing Happy Birthday to Jesus. It is a tradition that has come to mean a lot to me over the years because my grandparents and dad are now with the Lord. But Every Christmas Eve, my husband, my mom and I still gather around that small birthday cake. After all isn't that what the holidays are about? Taking the time to Thank God for all the gifts you have in your life. This book combines the best of my family's recipes and also prayers that we used to say to celebrate them. Stories that will warm you and that you will want to pass on. I really hope, your family will enjoy not only the recipes but the prayers, stories and scriptures that go along with them.
