

The 28 Day Marriage Challenge (Her Version): Grow Your Marriage (With Christ At The Center) (Volume 2)

Welcome to the 28 Day Marriage challenge (HER version). This is the second book of a two part set. The HIS version is available on Amazon as well. I recommend you having both books before starting the system. The system is designed to help reboot your relationship and bring healthy changes to it. There are 28 different focuses in the book, one for each day of the month. Each focus pertains to aspects of life that involve relationships, ranging from love to forgiveness. From laughter to respect. What each of you read from day to day will be different, but those differences in your readings will compliment each other. For example, on the day when its your turn to focus on apologizing, your spouse will be focusing on forgiveness. When its your spouses turn to focus on sharing something new with you, itll be your turn to focus on being a good listener. I recommend you each reading your daily focuses in the morning. Then, youll have the entire day to reflect on them. Youll have time to develop your thoughts and ensure they are filtered, carefully weighed, and ready to be expressed in the best possible way.
