

## Amy and the Little White Butterfly: Amy and the Little White Butterfly

Amy is a very independent girl with a very busy life. Suddenly she has to handle the death of her mom. Amy channels her grief through a little white butterfly that begins to flutter around her. She discovers how to find peace with herself, feeling that her mom is helping her cope through this new little friend. The little white butterfly helps Amy realize that her mom still loves her and will remain with her forever.
