

HOPE STAR ON

The world renowned Suzuki 4 wheel drive is a unique off road vehicle with its small, yet distinctive body shape and the unusually small engine . The success of the Suzuki 4x4 is well documented, but the early history of this popular off roader is not well known, not even to the dedicated Suzuki enthusiast. The Original model LJ-10 was developed with an air cooled 2 cylinder engine. This was however not the start of the story. The story begins with another vehicle from another manufacturer, the Hope Star ON. This is the first book about Hope Automobile in Japan 1950s to 1968. History of their final product Hope Star ON. Very small four wheel drive cross country vehicle like war time Jeeps. This unique book contain more than 20 images, complete specifications. Author Yuichi Ishikawa worked more than 30 years as a chief editor of Japanese four wheel drive magazine(s).
