

Minimalism: How to Become a Minimalist (Illustrated With Bad Drawings)

Chaotic, overstressed and disorganized. Sound like YOUR life? Fortunately, there is a solution to the alarming clutter that has invaded your space. Its called minimalism and it will leave you feeling lighter, happier and in total control by releasing you from the bondage of stuff. This guide helps you free your home from disarray by first freeing your mind of its passion to accumulate the non-essentials! Ill show you how to start small, taking baby steps toward ridding your home of the things that are preventing you from living your best life. Best of all, its all illustrated! This makes this book a much easier (and fun) read that will guide you through the process of becoming a minimalist. Ready to get rid of the clutter? Lets get started!
