

Our Favorite Frugal Family Fun Activities

Despite what some may think, entertaining your family doesn't have to cost an arm and a leg. (You can save those to buy gasoline.) There are all sorts of delightful, creative ways for the family to have fun, be together, and spend little if any money. All it takes is a little resourcefulness, creativity, an open mind and a young heart. After all, nothing's better than laughing with your family, and laughs are free. Here in Volume One we've put together a great collection of ideas for fun, frugal activities for the family when you want to have a fun evening or afternoon AT HOME. These are practical, proven, real life tips, suggestions and ideas contributed by over 200 frugal families, so you're sure to find something here that fits just right for YOU. Read through this fun compilation, pick an idea, add your own tweaks and twists, and run with it. You're guaranteed to create some memorable, fun (and delightfully inexpensive) family times together!
