

My Favorite Mediterranean Lifestyle Recipes

Im not a chef or a doctor, just a cook who loves to prepare meals for family & friends. When youre a guest in my home, I design the meal around your lifestyle. These are my favorite soups, salads, main dishes and desserts that follow the Mediterranean lifestyle of incorporating seafood, olive oil, whole grains, vegetables and fruit into your diet. From elegant to easy, suitable for company or kids, you will find new favorite recipes here! Following the lifestyle is important, but it has to taste good! Ever follow a diet and not be able to stick with it because of lack of flavor? Me too! Its hard to incorporate a lifestyle when the food tastes bad and you feel deprived. No deprivation here! Recipes include Marinated Olive Salad, Lemon Tuna with Arugula, Roasted Pepper Salad, Wonderful Fish Stew, Pasta with Greens & Garlic, Mediterranean Chopped Salad, Brandied Pears, Glazed Berries and many others! Enjoy!
