

How to Love a Zombie: (without losing your brains)

Seventeen year old Martina Grimes has been in love with high school quarterback Kody Kirk since the moment they met. The day he shows up in a body bag at her fathers funeral home is the day she needs to accept that a relationship with him is never going to happen. Or is it? Mysteriously, Kody rises from the dead every night giving Marti hope for a future with him. But no one can know that Kody is undeador fun-dead as she likes to refer to his condition. Backed by her best friend Gray Milewski, she spends the summer desperately trying to hide her secret. Gray, however, is keeping secrets of his own. Will this love story have a happy ending or will Martis heart end up buried six feet under?
