

## More New England Graveside Tales (New Englands Graveside Tales)

This second volume of New Englands Graveside Tales, presents a dark cavern of mystery. Walk the unhallowed ground of a vampire and learn much about some of the first authentic hauntings in America. Look to the night skies for UFOs and explore cases of alien abductions that happened in New England. Then visit interesting places: castles, towers, graves, and museums, and be introduced to some of history's most persecuted accused of unlikely and heinous crimes. There's much more waiting for you ahead, so grab a torch and read on...and if you should be startled or even scream, not a living soul will know...
