

3D Futsal 2 in 1 Tacticboard and Training Book

The 2 in 1 Tacticboard & Training Workbook for fast creation of coaching instructions/game tactics and schemes, doesn't only offer sport specific preprints (playing field and space for notes), but also a cover, usable as a dry erase panel (whiteboard pen is needed).
ADVANTAGES: *** notebook with sport specific preprints (playing field) for fast and simple sketching of coaching instructions/game tactics and schemes ***
If all pages of the notebook are used, the cover is still a dry erase panel (tacticboard) ***
Due to a handy format, the notebook can be comfortably used in any situation (e.g. on the way or on the playing field) ***
Perfect for spontaneous collection of ideas or as a memorization tool ***
Practical handling due to easy pocket format
