

Winning the Fight to be Happy: Strategies to overcome negativity, depression, and other internal struggles

Proven tactics for achieving happiness and peace of mind from someone who has fought for them and won. Life doesn't make it easy for us to find happiness. Day after day, we are presented with a full spectrum of challenges, as well as anxiety, depression, and overall negativity. Before we know it, we fall into a tunnel, where we forget how to be positive and cannot see how to change and improve our lives. The good news, as the author of this book learned personally, is that we can fight against these challenges. Winning the Fight to be Happy teaches you strategies on how to overcome the forces that bring you down, and how to become a person through whom happiness flows freely. Each chapter discusses a different way to improve your life, on a constant course towards peace of mind and a positive perspective. Here are the tactics that will empower you to win the fight for being a happier person. A better life is something you deserve, and a happier life is something you can achieve. It all starts today, with You.
