

7 Steps to a Godly Marriage

Whether you are about to get married, been married for years or hope someday to get married, this book can help you build a marriage that is solid and sure. Within these pages are seven simple steps that will help your marriage grow stronger based on the marriage that God wants you to have. Biblically based, 7 Steps to a Godly Marriage provides relevant scripture that will help couples navigate the sometimes joyful, sometimes frustrating, path of the marital relationship. Learn how the enemy wants nothing more than to destroy your union and what God wants from it. Find out how selfishness can sneak in and drive a wedge between you and your partner before either of you realize what it is. Discover the blessings that God bestows upon couples who commit to keep Him at the center of their marriage. This book will help you build a strong, Christian marriage or help repair a broken one. It can be used as a Bible study, great for groups as well as couples. There are Reflection sections at the end of each chapter, allowing you to apply the teachings of Christ to your own marriage. A Godly marriage honors God and benefits husband, wife and children. Build your marriage on the Rock, on Jesus Christ. These 7 steps will make your marriage more resilient and enduring. Find out what God has to say about how you can make your marriage last a lifetime.
