

A Ghost Story

Ryan, a high school student with only 2 years to graduation, has just moved to the quiet town of Chesterton. Everything seems to be going well. He has some new friends and even has a girlfriend. However, things change when he learns of a haunted house that everyone avoids. He is drawn to it and cannot resist a visit. Even after some strange things happen to him, he does not believe in the reality of the ghost and convinces his friends to stay the night in an effort to prove that ghosts don't exist.
