

Surviving Suicide: My Journey to the Light Within

Expecting the normal challenges of marriage and family and then being faced with the most unimaginable tragedy, Mary Scovel was forced into a surreal, yet unique and enlightening journey. Endorsed by best-selling author, Dr. Gerald G. Jampolsky, M.D. *Surviving Suicide: A Journey to the Light Within* is the true story of a loving ministers family as they experienced the deterioration and eventual suicide of their two beloved sons, both of whom were diagnosed with schizophrenia. Charting their journey, Mary Scovel describes how she and her husband survived this unbearable double loss, searched her heart while embracing her dark night of the soul, kept her marriage intact in spite of the statistical odds, and emerged with peace of mind that made their recovery possible beyond the level of mere acceptance.
