Soul Mates: A Love So True gives you different areas of your marriage we all run into, which includes examples and gives you answers on how to handle various situations. I use my personal marriage with more than twenty-six years of experience to direct you on how to live a married life according to the Word of God. This book is scriptural based. There are selections of poems, prayers, and reflections. Life's challenges can always be resolved through basic answers. I hope this book will give you some direction and, if steps are followed, will allow you to have a rewarding relationship. Keep God wrapped all in your marriage. The purpose of this book is to teach a woman how to love her husband according to the Word. It does just that. I hope you enjoy and get what you need to help make your life a wonderful experience. My husband and I have been married for more than twenty-six years. We have had our challenges, as you will find in the book, but God brought us through all the trying times. Again, thank you for your support.
