

The Path to Creativity

For many of us, a treasure of hidden material is stored within our memories, waiting for a way to come to the surface. Each exercise in *The Path to Creativity* can give writers a focused way to access the unique memories, ideas, and experiences that give our lives meaning. In this profound journey into the heart of your own imagination, you will discover a wealth of material you can transform into art. By writing, you will better understand the creative vision you are destined to share with the world. It is a journey filled with beauty and emotional power. There is no more important gift you can give your life, than exploring the path to your own creativity.
