

Adams Family, The Blood, The Crown & The Birthright

God created many people on the sixth day. He created Adam on the eighth day. In Adam, God created a new beginning; the beginning of the bloodline of Christ. This book includes both theologically accepted and theoretical biblical interpretation. Although it is my theory of why we exist, ultimately you will judge its validity. Many years of extensive research and thoughtful analysis went into its preparation. The results of which, will alarm many and enlighten a few. I wrote this book not to change the minds of skeptics, but to awaken a slumbering assembly of believers.
