

Awakened Leadership: Beyond Self-Mastery

Transformational leadership books and processes have delivered us to the era of self-mastery. But how do we move from being effective leaders to being awakened leaders? By situating leadership in the nest of the seekers journey toward truth, you can now stand on the shoulders of the visionaries who have come before, and become conscious of your own position within Source. Leaving behind charts, maps, and graphs, Awakened Leadership is a portal to direct experience via pointers and personal stories that will help you recognize the gift of being who you really are. Then your leadership essence will effortlessly manifest not only in the boardroom, but in all facets of your life.
