

## You Drive Me Wild

Photos, funny writing and quotes make for a vibrant gift of spicy romance. Late summer, early evening, whirling down a country road, the breeze wreaking havoc with our hair, but hey, I like you shaggy. Life is good. You spot the lights of a Ferris wheel in the gathering dusk and we head off in search of adventure. The people in the seat behind us are going to be positively scandalized. If it's your time love will track you down like a cruise missile. -Lynda Barry
