

## Aliens/Predator: Panel To Panel

Two extraterrestrial species have haunted - and hunted - mankind throughout history: one a parasitic killing machine that uses humans as unwilling hosts for its lethal offspring, the other a relentless stalker that uses otherworldly stealth technology and weaponry to take men as grisly trophy kills. For over two decades, Dark Horse Comics has catalogued these terrifying contacts, harnessing the talents of a virtual who's who list of comics, science-fiction and fantasy illustrators to bring these tales to life. And now, one deluxe volume gathers all the best of these visual horrors into one arena. *Aliens/Predator: Panel to Panel* showcases page after page of some of the most compelling artwork ever seen in graphic fiction, stunning visions by John Bolton, Dave Dorman, Mark Schultz, Richard Corben, Mike Mignola, Doug Wheatley, Arthur Suydam, Mark A. Nelson, Alex Maleev, Den Beauvais, Glenn Fabry, Jon Foster, David Michael Beck, Sam Keith, Doug Mahnke and many, many more.
