

Another Pan

Sixteen-year-old Wendy Darling and her insecure freshman brother, John, are hitting the books at the Marlowe School. But one tome consumes their attention: THE BOOK OF GATES, a coveted Egyptian artifact that their professor father believes has magical powers. Soon Wendy and John discover that the legend is real when they recite from its pages and descend into a snaking realm beneath the Manhattan school. As the hallways darken, and dead moths cake the floor, a charismatic new R.A. named Peter reveals that their actions have unleashed a terrible consequence: the underworld and all its evil is now seeping into Marlowe. Daniel Nayeri and Dina Nayeri return to reimagine Peter Pan as a twisty, atmospheric, and fast-paced fantasy about the perils of immortality.
