

The King of Me: An Awakening

The King of Me Have you ever felt you were born in the wrong century, that you didnt belong on this Earth now? Or perhaps you have felt you were from a different world entirely. Well thats how the author of this book felt before setting out on a quest for truth and understanding. There are many now who feel this way, and are also coming to a realisation of a greater truth than previously understood. This is an awakening of the true self, ones Higher Self. A balancing of energies, resulting in a profound inner peace. The King of Me is a true account of living with the paranormal A quest for truth, and questioning of ones beliefs, and ideals A journey of self discovery and metaphysical awareness An awakening
