

## My Boyfriends Dogs (Tales of Adam and Even and Shirley)

When Bailey Daley shows up at a St. Louis diner soaking wet, wearing a prom dress, and leading three dogs in tow, the owner figures there's a story behind all this. But what a story it is! Bailey wants what every girl wants from her boyfriend: enthusiasm, loyalty, and unconditional love. And Bailey is always falling in love-with boys, and with their dogs. Each of her dogs came from a relationship that didn't quite work out. But don't worry: In this fun, clean romance, true love is never far away-it just waits until you stop looking for it.
