

## Hunters Guide to Bow Hunting the African Way (Hunters Guide Series) (Volume 4)

Bowhunting, as a sport of hobby, has evolved over the last 50 years and offers an ideal entry point for many modern day hunters, while purists have honed their skill and equipment to take on the toughest and biggest of game animals. Africa offers a diversity of wildlife and habitats and unique challenges for the visiting hunter. Bowhunting the African Way is compiled from more than 20 years of published material from the African Hunter Magazine, giving the reader or would-be bowhunter an in depth appreciation of bowhunting the Dark Continent. Augmented with personal hunt reports, technical overviews and 20 anatomical shot placement diagrams, this work work is a must for those first time African Bowhunters, and those for whom Africa is already home.
