

## The Witches Sister (Southmore Book 2)

But he is a MacKenzie! She heard Janet's fierce cry whip through the air like a scream, but she stood firm. No, I will not hurt him, she told the girl silently. MacKenzie or not, I will never hurt him. Two years after the terrifying events at Southmore Arlen and Alice share a strained existence with their mother. A holiday to Edinburgh seems just the thing to bring the family closer together. But the voices of the past echo still, and when the tragic story of two sisters, victims of the Scottish witch hunts, reaches into the present, Arlen must call on an ancient power if she is to save her sister's life. But power comes at a price and Arlen will not be quite the same again, especially when Robbie MacKenzie, her ally from Southmore, reappears on the scene
