

## Hiking Colorado Wilderness Areas

The Wilderness Act of 1964 specifically says that wilderness is for the use and enjoyment of the American people. Most types of outdoor recreation are allowed in wilderness, except those needing mechanical transport or motorized equipment. There are 43 Wilderness Areas in Colorado, and this book covers 29 of the more easily accessed ones, with over 120 hikes, including 26 Colorado 14ers. Hikes include driving instructions to the trailhead, easy-to-follow trail directions, and maps to help visualize the hike.
