

EXPLAINING the DOCTRINE of SALVATION: Basic Bible Doctrines of the Christian Faith

There are four major views of salvation among Bible scholars. Two of them are treated herein, the Calvinist view and the Arminian View. What Andrews offers his reader is the biblical view of salvation. Chapter 5 Explaining Salvation will be a full chapter dealing with the doctrine of salvation itself. However, several other chapters will cover original language words that explain the salvation doctrine. We have Chapter 1 Explaining Atonement, as well as Chapter 2 Explaining Ransom, in addition to Chapter 3 Explaining Reconciliation, along with Chapter 4 Explaining Sanctification. All five chapters will cover some deep theological subject matter, as well as Hebrew and Greek terms, but are written in an easy to understand manner. EXPLAINING THE DOCTRINE OF SALVATION allows all readers, regardless of ones level of learning to plunge deeper into Gods promise of salvation, as Andrews explains the biblical view.
