

Batsford Guide to Racing Cars (A Batsford book)

The great Denis Jenkinson cranks out another book, this time describing 138 pre-1978 race cars. All the usual suspects are present and accounted for, but I bet you've never heard of Amon-Dalton, the Appleton Special, BHW, the Brooke Special, the Cromard Special, Derby-Miller, Derrington Francis, Dommartin, Fuzzi, Kojima, Maki, Maserati-Plate, OBM, RRA, Terrapin, or Zoller. Buy this, and pull up a chair!
