

# Be a Good in the World: 365 Days of Good Deeds, Inspired Ideas and Acts of Kindness

In the hurly burly of this busy world, simple kindness and goodness can get left behind in the rush to be first in line, to the top of the corporate ladder, and to have the most likes. But, what does it all mean at the end of the day? Isn't being a good person and making real contributions to the world more important than anything else? Author Brenda Knight, part of the team who made the world a better place with Random Acts of Kindness as well as a little more thankful with The Grateful Table, writes At the end of life, I feel sure having lots of money, fancy cars, and real estate is not nearly as important as how much love you gave to the world. This realization was the inspiration for Be a Good in the World, a book of good days filled with ideas for making a difference.
