

The Singlehood Phenomenon

If you're single and wanting to be married, you probably know all about the sordid marriage stats. You understand the inherent challenges of marriage. And despite some skepticism, deep down you still believe in marriage—if only you could find the right person! The Singlehood Phenomenon is full of hope for singles who have yet to give up on marriage. Drs. Beverly and Tom Rodgers address the top ten reasons singles aren't getting married and show how societal trends such as cohabitation, rampant divorce, and the fear of getting hurt make finding a soul mate that much more difficult. Difficult, but not impossible! Deal with your skepticism about dating, love, and marriage and overcome the reasons you stay single. Learn how to integrate psychological principles and biblical truths to develop healthy, godly love relationships.
