

Birthing Orgasms, Time & Money: a literary memoir

With the hope that more mothers and babies may experience orgasmic births as its engine, Birthing Orgasms, Time, & Money is a train of thoughts that winds on a long and crooked trip of sickness and health, and includes the energy resourcing, courage, and determination it takes for me to stay vibrant and live my life fully. I started this for my children, but perhaps these findings, which dig out my pain and help me to heal, will be serendipitously helpful and healing to you as well.
