

Bite Me!

Like to manage more effectively the people you think are tiresome? High maintenance? Annoying? Aggressive? Bite Me! is a simple, clear, easy to read guide about the way we behave, why we act so differently, why certain people drive us crazy and what we can do about it. For a light hearted but scarily accurate description of ourselves and those around us, Bite Me! provides practical advice for a happier, less stressful life at work and at home.
