

## Mary: The Summoning (Bloody Mary)

There is a right way and a wrong way to summon her. Jess had done the research. Success requires precision: a dark room, a mirror, a candle, salt, and four teenage girls. Each of them--Jess, Shauna, Kitty, and Anna--must link hands, follow the rules . . . and never let go. A thrilling fear spins around the room the first time Jess calls her name: Bloody Mary. Bloody Mary. BLOODY MARY. A ripple of terror follows when a shadowy silhouette emerges through the fog, a specter trapped behind the mirror. Once is not enough, though--at least not for Jess. Mary is called again. And again. But when their summoning circle is broken, Bloody Mary slips through the glass with a taste for revenge on her lips. As the girls struggle to escape Mary's wrath, loyalties are questioned, friendships are torn apart, and lives are forever altered. A haunting trail of clues leads Shauna on a desperate search to uncover the legacy of Mary Worth. What she finds will change everything, but will it be enough to stop Mary--and Jess--before it's too late?
