Emilie Schmidt is a teenage girl that learns and grows up quickly. Because of the rising of Hitler, she is forced to acknowledge reality and lose old friendships. She befriends a nice Jewish girl, who then introduces Emilie to her twin brother Karl, who she eventually develops a romantic relationship with, which is quickly cut short due to the rising dangerous Nazi climate in Germany. Since Emilie is an ethnic German and Karl is Jewish, they face struggles from a prejudiced community that has embraced Nazism. Emilie has to face many pressures and also the tragedy that she will never forget! Whats going on to her teenage life..?
