

## Not Your Parents Marriage: Bold Partnership for a New Generation

Find Gods Unique Shape for Your Marriage Its not just the two of you and God. The truth is, you bring your family into your relationship in more ways than you realize. Yet God has plans for your marriage that differ from the expectations of your parents generation. Looking at the past, how do you know what to jettison and what to keep as your own? Jerome and Kellie Daley have wrestled with the tough questions about which spouse is responsible for what and why, how last nights fight could help you love each other more, and what it really means to leave your parents and become full partners in marriage. As you practice the freeing biblical truths about marriage, you discover that many of the practicalities that worked for previous generations are a poor fit in your relationship. Not Your Parents Marriage examines Gods dreams for marriage today, based on the scriptures and including honest dialog, fun questionnaires, and space for journaling. Its time to honor what God has done in the past while unlocking the creativity and passion that are unique to your relationship. Whether you are engaged, married, or somewhere on the way, God wants to do a new thing in your relationship. Are you ready to experience it? Includes discussion questions for couples or groups.
