

# The Best of Tom Slemen: Volume 1

Ghosts, ghouls, witches, spectres, demons, the Grim Reaper, vampires, leprechauns, the Devil, as well as a host of other supernatural beings - along with the odd unsolved murder thrown in for good measure - all to be found within the pages of this unique first volume of Tom Slemens work. Thirty-six stories that will haunt your mind and delight your dark side, all from the pen of one of Englands greatest writers on the supernatural - Tom Slemen. Read about the baffling mystery of Old Swans Mass Grave - was it a cover-up by the authorities? Be thrilled by the creepy history of Springheeled Jack, and dwell morbidly on the nature of the real-life vampires such as Golgon, Araminta and Manilu. Learn about the elusive but deadly enchanting Elvi of Sefton Park, and of the murderess who danced with her hangman at a Victorian ball. Savour the exciting witchcraft wars that centred on the Swan Inn, and unravel the identity of the mastercriminal who killed Julia Wallace in 1931 and left generations of professional and armchair detectives perplexed by his method of slaying without a trace. Just some of the eerie stories to be found in The Best of Tom Slemen - Volume 1.
