

## Five Sacred Solos : The Truths That The Reformation Recovered (Search For Truth Series - Book 6)

Five sacred solos refers to five things that stand alone. Not just things, but five great truths or teachings. They were discovered or should we say rediscovered at the time known as the Reformation period in Europe, mainly in the sixteenth century. They are still of vital importance to all Christians today: 1. Sola Scriptura Only the Bible 2. Sola Fide Faith Alone! 3. Solus Christus Christ Alone 4. Sola Gratia Grace Alone 5. Soli Deo Gloria Glory to God Alone Bible teacher and missionary, Brian Johnston, briefly explains the significance of each solo in this entry-level e-book.
