

## Guidance To Heaven: On the Catholic View of Life

This is the best book we have ever seen to show the shortness and uncertainty of life and why we should live in anticipation of and preparation for death. Says we should not live being afraid to die because we are not prepared; but realizing that death is ones grand entrance into true life; if one is well prepared; we will make it our lifes work to get ready. A powerful book to help us get properly oriented spiritually in life. 195 pgs; PB
