

## Mind Fist: The Asian Art Of The Ninja Masters

Inside every human being is a sleeping tiger--a raw, untapped power that once harnessed, can repel aggressors of any kind. . . . In this masterful book, Dr. Haha Lung draws on the psychological origins of ancient Chinese philosophies, explores the fist fighting traditions of Chinese Kung-fu from its birth in ancient India and introduces the extraordinary concept of the Mind Fist--the mental punch you never see coming! Ranging from nonviolent counterattacks to multiple devastating martial arts techniques, this book includes:

Mental and physical exercises to strengthen the mind and body  
Secrets of moshuh-nanren, the Chinese ninja!  
Understanding the ways of bullies and aggressors  
How to prevent violence using Zhenkin, the Art of Control  
Three kinds of force with which you can win physical battle  
How fear can be turned into focus  
Ghost strikes and takedowns  
Mind Fist brilliantly unlocks an ancient skill of true, permanent self-defense--for any aspect of your life! For academic study only Dr. Haha Lung is the author of more than a dozen books on martial arts, including Assassin!, Mind Manipulation, Ninja Shadowhand, Knights of Darkness, Mind Control: The Ancient Art of Psychological Warfare, and The Lost Fighting Arts of Vietnam.
