

## Simple Suggestions for a Sensational Life

In her characteristically upbeat style, New York Times best-selling author, Paula White, shares insight and wisdom for developing a life that soars above the ordinary—a sensational life lived by God's rules in God's way. Paula's message of hope and help for every person encourages individuals to step out of the past into a bright future with Christ. While honest and straightforward, her message is always positive and upbeat, and easily accessible to every age group. The text has a positive, engaging tone and features short, concise thoughts from Paula's writings, quotes from Paula, and Bible verses. Approximately 80 suggestions are divided into a variety of major categories such as habits, health, sexuality, friendship, work, thoughts, words, and stress. The interior design matches Paula's flamboyant personality and style, featuring bright, bold colors.
