

The Kingdom of God Suffers Violence!: Faithful Believers Press through the Narrow Gate and the Difficult Way To Gods Kingdom!

The apostle Matthew recorded the words of Jesus in chapter eleven when Jesus said, The kingdom of God suffers violence and the violent take it by force! The revelation of this Scripture is the quintessential order experienced by Gods elect as they seek Gods Kingdom and His righteousness. This order supports the life experiences of humans on the earth as spoken in Gods curse as the results of mans disobedience in the Garden of Eden. Not many Christians understand this order or the spiritual provisions God established in His plan for the world before it was formed. Jesus used the life of John the Baptist to illustrate the character one must have in seeking Gods Kingdom. John, who by faith and blind devotion, surrendered his life to Jesus Christ and to Gods Kingdom. Jesus said in verse eleven, Assuredly, I say to you, among those born of women there has not risen one greater than John the Baptist. Johns adult life was characterized by his tenacity to advance the knowledge of Jesus Christ despite the antagonism from Jesus enemies, the religious leaders of His day, the scribes and the Pharisees. John the Baptist was a man filled with love, faith and obedience to Jesus and to Gods Word! He was a role model to those of us who seek the Kingdom of God despite the afflictions, hardships and sufferings one must bear! Taking the Kingdom by force refers to those who make a concerted effort to enter the kingdom in spite of violent opposition. This opposition comes in many forms including our carnal mind, which is enmity against God and the lust of our own human flesh. Individuals seeking the Kingdom must display certain character traits as revealed in this book, The Kingdom of God Suffers Violence! Unfortunately, not many Christian leaders have been privy to this revelation or its purpose in those God predestinated, called, justified and glorified before the world was made. However, in the fullness of time,

these truths are being made known. As you read this book, please seek Gods wisdom and understanding in order to rightly discern its contents.
