

Casper The Friendly Ghost 60th Anniversary Special

Since making his spooktacular cartoon debut in The Friendly Ghost, Casper has become one of the most enduring and best-loved characters in the world. Now, in celebration of the sixtieth anniversary of Caspers comics debut, Dark Horse is proud to announce the publication of a special hardcover of not one, but two full-length, complete Casper comic books in sparkingly restored full color! Beginning with Archer St. Johns 1949 first issue of Casper the Friendly Ghost, this sixtieth anniversary edition continues with Harvey Comics premier edition of Casper from 1952. Youll thrill as timid Casper - defying his fellow ghosts dictum that ghosts must scare people - makes friends with a host of cute kids and furry animals in two tales that will touch your heart and tickle your funny bone!
