Youve just woken up with the worst hangover and you feel your aching muscles moving on its own toward the glass with a peg. You gulp it, the drink rolls down your innards, burning every ache on its way, and just as it reaches your stomach, you feel alive and awake with a new life! Pause. Breathe. What just happened? I mean logically, hangover happens on account of the endless shots of the night before, then why did the new dose of alcohol just set you right and steady? The answer is that it is not you who spend bought the booze after the long days work but instead the booze bought you, your money, your labour, your time and your sense of being alive! There are zillions of aspects that often the biggest majority fails to understand on account of alcohol addiction. The book throws a lucid light on determining the alcoholic in you through globally authenticated analysis and tests like CAGE and Blood Tests as well as recognising the symptoms of the severity of your addiction. Often, alcoholism to us is a different concept, until blood is spat on the washbasin! The book sheds light on a variety of techniques to determine if your alcoholic routine is disturbed and harmful to your other routines, by providing sufficient information about the available treatments methods for quitting alcohol. The book also provides a through detail of the 12-step programme methodised by the AA towards its closing. The book closes by providing an elaborate description on preventing a relapse into alcoholism as well as citing the causes for the same. The book aims to provide long-lasting conviction and mindset progression for all alcoholics to quit alcoholism steadfast! Here Is A Preview Of What Youll Learn... Understanding Alcoholism and the
