

## Bringing Children to Salvation

When it comes to leading your child to a saving knowledge of Jesus Christ you cannot afford to be mistaken in how you approach this. Does your child understand or are they just being compliant? How do you deal with children when it comes to the matter of salvation? How do you know when a child is old enough to understand salvation? What do you look for in a child's life to evidence true salvation? How do you identify conviction in a child's life? These and other questions regarding the matter of children and salvation are answered in this book. Also included is a list of memory verses to use with children.
