

Click Here to Order: Stories of the Worlds Most Successful Internet Marketing Entrepreneurs

While the general public is familiar with the larger Internet companies such as Yahoo!, Google, eBay and Amazon, very few are aware that small business is thriving online like never before, especially in the realm of information products. Click Here creates an entertaining and instructive narrative that provides an in-depth look at the unintentionally underground movement known as Infoproduct marketing, and the people who have profited and succeeded in the industry.
