

Narrative of a Journey to the Summit of Mont Blanc: Made in July 1819 (Mountain Climbing - Mont Blanc)

Narrative of a Journey to the Summit of Mont Blanc Made in July, 1819. By WM. Howard, M. D. Mountaineering Classics Compete New Edition The account of the following journey was written a few days after its execution, while the author was confined to his chamber by the inconveniences he had suffered, and it was then penned for the gratification of his immediate friends, and without any view to publication. The partiality of friends, however, having permitted it, during his absence, to appear in the Analectic Magazine, for May 1820, it excited more attention than he could have anticipated, which has induced the author to correct the errors arising from haste and other sources, and to republish it in the present form. Baltimore, April, 1821.
