

Integral Coaching and Healing

If you're interested in learning more about Integral Coaching and Healing then this book gives you insight into how coaching leads to transformation. This book contains the full transcript of the Integral Coaching and Healing podcast interview Reggie Marra did as part of the Learn to Live Stress Free podcast series as well as offering you the reader other integral coaching and healing resources so that you can make informed and more intelligent choices about your career, life and overall well being. The additional resources included in this work range from lists of accredited integral coaching organizations to coaching accreditation to the psychoneuroimmunology of healing. All of these resources are meant to help you on your journey to figure out your place in the world and what your life's mission might be. We hope you will explore the various resource links provided.
