

Cold Kiss

Be careful what you wish for. . . .When Wrens boyfriend, Danny, died, Wren decided that what she wanted what she had to do was to bring Danny back. And so, in a heartbroken fury, armed with dark incantations and a secret power, she did. But the Danny who returns isnt the boy Wren fell in love with, and she must hide him away while her life unravels around her. Then Gabriel transfers to her school and somehow he knows what she has done and he wants to help make things right. But Wren alone must undo what she has wrought even if it means breaking her heart all over again.
