

Two Minute Mentor: The Only Life Advice You'll Ever Need

Tim Hoch's Two Minute Mentor contains the indescribable musings of a man who has experienced the highs and lows of fatherhood, marriage, career, and faith. In this collection, the hard questions are asked: Is life just random, disordered chaos or a perfectly harmonious universe where everything happens as it was preordained? While Tim's advice isn't perfect or one-size-fits-all, it's primarily designed to encourage you to get out of your own way, explore alternate views and embrace others. These are his stories, his lessons, his advice. Some of it is actually pretty damn good.
